

Boxtops Reminders

Welcome back to a new School Year! I am looking forward to another year of Boxtops for Education with some new contests, fun prizes, and a successful fundraiser!

I have to count several thousand Boxtops per year, so I am sending along these reminders hoping that you will help make my job a whole lot easier.

- Collection sheets can be found by clicking the Boxtops icon on the school website, in the left column toward the bottom of the Boxtops program website.
- Collection sheets make my job a whole lot easier.
- If you don't want to print collection sheets, a regular piece of paper is fine.
- Boxtops need to be bundled into 50s, so 10 or 25 to a sheet is perfect.
- If you don't have enough for a sheet, leave the spots blank and I can fill in with loose Boxtops when I am bundling.
- Please don't cover a sheet with as many Boxtops as will fit. If it's an odd number, I find myself peeling them off the sheet to bundle them.
- Please send in any Bonus Boxtops in a separate bag or envelope stapled to your sheets. They have to be counted and bundled separately.
- Expired Boxtops should be discarded
- Glue sticks don't work well for attaching Boxtops to collection sheets. Once the glue dries, they fall off.
- Please send Campbell's Labels for Education to Mrs. Bowles.
- Please don't buy Boxtops online to win a contest. People are counterfeiting them, and we will be removed from the program if we send in fake Boxtops, even in ignorance.

There is a good chance that I will sort, count and bundle roughly **20,000** Boxtops this year, so every little bit will be very helpful!
